WELCOME BACK TO SCHOOL

Principal's Corner

September 5, 2022 / Vol 1 - Issue 02

As we start the new academic year 2022-2023, I am happy to once again welcome our new and returning students, all parents, teachers and auxiliary staff to St. Anthony's College, our home away from home where our motto is... 'Service To All'.

These are both exciting and challenging times, but as we strive to make things better for all, once we work together as a team, all stakeholders - parents, teachers, students, administrative, alumni and other partners, we can achieve greatness.
