

The ST. ANTHONY'S

Stride

Walking with decisive steps

Principal's Corner

As we start our second month in this new school year, I hope that you have all settled in well thus far. Now that we are finally resuming face-to-face classes, I need to reiterate how important it is to still be aware of the necessary safety protocols that remain in place as it relates to COVID-19. Even though it is now not mandatory, I strongly recommend that masks be worn during school hours, especially since the number of positive cases have started to increase at an alarming rate.

Term I comprises of fourteen (14) weeks and as we progress I encourage and remind students and parents to communicate with Form Teachers and Deans throughout the term. Communication is imperative in order to guarantee that a child's cognitive, social and emotional development is progressing naturally. Parents, it is important that you also take an active role in your son's school life during his time at St. Anthony's College and we look forward to seeing everyone at the various Parent/Guardian meetings this coming week and the various upcoming activities.

Remembering our Priorities

Parents please assist and remind your sons to follow and apply the school rules. Infringement of the school rules will result in the necessary disciplinary actions.

- **Appearance:** Students must dress to look like students.
- **Behaviour:** Students are expected to display appropriate behaviour on the way to school, at school and from school.
- **Punctuality:** Students are required to be in school on time. School begins at 8:00 am and ends at 2:20 pm.
- **School signage:** Students MUST observe the signage throughout the school, especially in the areas where they are not allowed without supervision, permission or consent.
- **Cell phones:** All cell phones must be switched off from the time the student enters the school compound until the end of the school day.
- **Valuable possessions:** Students are reminded that they are not allowed to bring valuable possessions such as Ipods, gameboys, bluetooth devices etc, (The school takes no responsibility for the loss of these items).
