Stride

Walking with decisive steps

WELCOME BACK- NEW YEARS GREETINGS TO ALL

Happy New Year to everyone, let's start this new year, new term with determination and purpose. As we move forward through the next eight (8) weeks, we are focused and committed to continuing our holistic improvement drive, where our boys will continue to benefit from improvement works to our infrastructure, motivational and behavioral change programs, academic initiatives (to enhance performance) and increased sporting, social and cultural activities. I look forward to working together and reasoning together. God Bless you!

Regards
Maurice Inniss
Principal
