Celebrating STUDENT ACHIEVEMENTS

SAC Honour Cards - Dean's List, First Class, Second Class & Third Class honour card

Following the feature address given at the Achievement Day Ceremony in January, we started February with another fantastic motivational session at morning assembly done by Dion La Foucade. Assembly ended with the recognition of students from all forms who received Honour Cards for their academic achievement and accolades for those who excelled in co-curricular activities in the last term 2022.

LAW & ORDER

As we continue our holistic improvement initiatives towards instilling positive principles in our boys, we have partnered with some vital stakeholders to assist with giving them the necessary lifeskills needed as they forge ahead on their road to success. **This initiative is called Law & Order.**

Order is committed to the continuous acknowledgment and reward to our boys for academic achievements at the end of the term as well as acknowledging co-curricular achievements.

Law is geared towards behavioral change programs, where invited stakeholders would bring awareness and understanding to all students, parents and guardians on the importance of preserving and following the laws of the land, knowing the consequences and recognizing that changes can be made to succeed and reflect this term's theme ~ 'I have greatness in me'

DATES TO REMEMBER

- Mock Exams on-going
- 17th Mar - Spelling Bee
- 29th Mar - Staff Meeting
- 30th Mar - Spiritual Baptist Holiday
- 31st Mar - Last Day School - Staff Workshop

what's happening

spelling bee Competition

St Anthony's College Language department (English) has recommenced their Spelling Bee program and competition.

Spelling Bees have been employed throughout the world as a means to improve spelling and overall literacy. For the past two years, the Covid-19 pandemic has temporarily disrupted this process.

Preliminary rounds took place throughout the school among forms 1 to 4. Students' success in those rounds went towards their coursework marks.

The final round is scheduled for 17th March, 2023 with a myriad of prizes being offered along with the SAC Spelling Bee Challenge Trophy.

Categories

Pioneer - Forms 1&2 and **Trailblazers** - Forms 3&4

- 1st prize - \$500
- 2nd prize - \$400
- 3rd Prize - \$300

We wish all the best of luck on Friday.

LOADING

- School Song Competition (Inter Class)
- Parent Teacher (PTA) Meeting- 3rd Term - April 2023
- Request for Volunteer PTA Sub Committee Members
- SAC Sports Day
- Forms 1 & 2 Meet and Greet Social

Secondary School Business Simulation COMPETITION

UWI LOK JACK GLOBAL SCHOOL OF BUSINESS HOSTS NATIONAL BUSINESS SIMULATION COMPETITION WITH 17 SECONDARY SCHOOLS

The 3-month competition allows secondary schools across Trinidad and Tobago to learn the art of business war through an online simulation game.

The five (5) member team from each school, were provided with a business scenario and have to make weekly business decisions based on the context and competitor actions in their assigned universe.

The objective of the simulation competition is to assist students in applying their business knowledge, which in turn would help them to better understand the concepts being taught as part of the CXC Syllabus.

Five (5) boys from St. Anthony's College entered the business simulation competition. The competition is now at the halfway point where sixteen (16) teams have been knocked out and only six (6) teams remain. **St. Anthony's College is among the 6 remaining teams.** The other teams are Naparima Boys College, St. James Secondary, Parvati Girls Hindu College, ASJA Girls San Fernando and Swaha Hindu College.

Our SAC boys are: ~ Ky-mani Bailey, Kimani Pierre, Wyatt Honnock, Latrell St. Aude all from form 5 and Jaheem Gulston of upper 6. They are supervised and supported by Ms. Span (main), Ms. Singh (supporting) and Mr. Paul (supporting).

The students from the top three teams will win partial scholarships for the Bachelor of International Business at the Arthur Lok Jack Global School of Business and the opportunity to interact with alumni for career guidance.

Great achievement thus far guys, we are all behind you. GO ST.ANTHONY'S !
