SAC SWAP DAY

On Thursday 18th May, 2023, St. Anthony's College held it's second Swap Day. This is a day where roles are reversed for the day, the Student becomes the Teacher and the Teacher the Student. The student teachers were dressed in professional attire, while the teachers dressed from head to toe in their school's dress uniform.

This activity was used to foster and encourage peer teaching and learning, improve the school's culture, pride and school spirit, as well as to give them an appreciation of the education system, especially those who were considering teaching as a career path.

From left to right : Jamel Munroe - Vice Principal, Emmanuel Charles - Principal & 4th former Obadiah Eyeadelrosiyhia as Form 3 Dean.
