INTERACT

WORLD POLIO DAY

Interact was there throughout the term helping out and being involved in many different activities. One of their crowning moments was when they and their sponsor, The Rotary Club, participated in a walk for children with Polio.

UN REPRESENTATIVES – OUR FUTURE IN THE MAKING

Throughout, September and October, six students represented the school in the Rotary Club's Model United Nations: Dylan Lee Ling, Warren Foster, James Munroe, Kayin Timothy and Jasper James, Emmanuel Charles.

At MUN, they were taught skills in Public Speaking, Diplomacy, International Relations, Debating, Time Management, Conflict Resolution, Mediation, and the History of the United Nations. They are active members of the Interact Club of St. Anthony's College.

INTERACT

While the Interact Club is not always be at the forefront of everyone's attention, they are consistently working behind the scenes to help and bring awareness to both St. Anthony's College and their country. They have helped and promoted different events and holidays, such as, Breast Cancer Month and Universal Children's Day.

Sports

St. Anthony's had an amazing term when it came to Sport. The boys worked extremely hard towards their individual sports. Some highlights include the St. Anthony's Swim Team as they brought home multiple medals and trophies.

St. Anthony's also had an amazing season last term for Football. The St. Anthony's Tigers played their last game against Presentation College. A fight of TIGERS VS LIONS. Tigers came out 2ND in Intercol, BUT....Placed 1st in North Zone.

It was thanks to the help of their dedicated staff: Mr. Ronald Daniel, Mr. Gopaul, Mr. Mashama Baptiste, Mr. Gilbert Bateau, Mr. Rayshawn - Mars, Mr. Derek Garuth and Mr. Derek Edwards.

SUPPORT, SUPPORT, SUPPORT

The St. Anthony's Tigers want to say a heartfelt thank you to all of the students, parents, teacher and coaches that were there with them as the strived to achieve their goals last term.

Staying in Sports, The 2023 SAC Aerobics came and went with an amazing turnout from both St. Anthony's and also from Bishop's Centenary College.

WHICH TEAMS DID WHAT

MATHS!!

Yes there is a team for Mathematics! Emmanuel Charles, Amani Peltier, Ethan Forde and Micheal LeTache along with their Team Manager Mr. Gopaul are on their way to the Math Opymiards!!

>>> ACHIEVEMENT DAY

The St. Anthony's College Annual Achievement Day showcased the top performers in academics and extracurricular activities including sports, music, and arts. The awardees stood proud in front of their supportive parents and teachers.

>>> UNIVERSAL CHILDREN'S DAY

On November 20, Universal Children's Day, the Hadco Group of Companies made the hot day extra special for our boys by sending the delicious treats their way.

Once again we can boys excelling in different skills as they were able to do a Pizza Making Workshop at Chuck Cheese. Not only are they learning and eating but they are thinking about their future and the way ahead.

>>> ON THE JOB

Not only was there a pizza workshop but there were boys that took part in the Unicakery Dessert Making Workshop, where they learned the behind the scenes of dessert making. While also gaining the skill of dessert making and decorating as well.

>>> RESTURANT WEEK

The boys were also able to experience Restaurant Week. Some of the boys were taken out by the teachers to go enjoy local meals at a restaurant in celebration of Restaurant Week. One of the students even went on to win a prize for being involved in this celebration of food.

ACADEMICS

WHAT HAVE THEY BEEN DOING?

NSSEC

Form 6's were not to be left out! Business students of form 6 took part in the National Secondary School Entrepreneurship Competition on November 15th at NAPA. The competition took place over the course of 6 weeks.

Jovanni Samuel , Na-Kalon Babb, Jeanine Williams , Joel Noel, Jonathan Mohammed, Francois Sylvester, Orlando Belmonte-Colan, Keon Bacchus were St. Anthony's six representatives and they spent their time learning new and unique ways to learn real world business skills in a fun and engaging environment. These students were able to make dynamic business decisions every week of the competition while learning and understanding the importance of teamwork.

Form 6

UNESCO

United Nations Educational, Scientific and Cultural Organization is making a reappearance on the St. Anthony's Compound. This is group that is filled with Interact Members just waiting to make a larger impact in school and the community.

There is also an abundance of Musical talent with the halls of St. Anthony's. Two of these students are Kehlani Keshwah and Joshua Thompson. Kehlani has represented the school with his performances on the Steel Pan, while also playing for the All Stars Youth Steel Orchestra .

Joshua is known for his various musical contributions to the school and can be seen singing and playing drums for a number of events.
