last term**

Dates**

## WHAT HAPPENED LAST TERM? Let's Recap...

The second term has come and gone and even Easter holidays are behind us. I hope everyone had an amazing and relaxing Easter. We have now started our third term.

Last term was packed with classes but also had many events for the students to showcase their creative talents, and sportsmanship and to simply enjoy their time.

From the Spelling Bee to the Aerobics Burnout and the Carnival Show there was always something for our boys to do. Even in the face of these larger events, there was still time for smaller activities. Our Math Olympiad was busy last term with various activities. The school Interact Club could also be seen taking part in events and helping out whenever they get the chance. Some of our boys even took part in an alternative Jobs Program.

All in all, it was a busy term for the boys with these events alongside their everyday school work and end-of-term exams.

# WHAT TO LOOK FORWARD TOO...

## Coming Up Next
