EVERYTHING SPORTS: GO TIGERS GO!

FOOTBALL SEASON IS HERE!!

COME OUT IN YOUR RED

The annual football season at St. Anthony's College is in full swing, and the Tigers are roaring! With fierce competition and high-energy action, the Tigers have already battled through four thrilling games, emerging victorious in two of them. Their determination and teamwork have made for edge-of-your-seat excitement.

Unfortunately, the rain had other plans for the much-anticipated match on September 25th. Due to severe weather, the game had to be postponed. But don't worry fans, the showdown is rescheduled for Monday, September 30th, where the Tigers are ready to charge back onto the field with renewed fire and hunger for victory!

Mark your calendars and prepare to cheer your hearts out as the Tigers continue their fight every Wednesday and Saturday. Be there to witness every tackle, goal, and triumph as St. Anthony's chases the championship!

ACADEMICS AND ART

I think a well-rounded education keeps us from being bored and boring!
John C. Mather

During the July - August vacation, our Form 6 student, Isaiah Hills, participated in the Nestle 110th Anniversary Art Competition. He showed great talent for art and successfully won the competition. This allowed him to have two of his Art pieces displayed in Killarney (Stollmeyer's Castle). Congratulations, Isaiah. We hope you continue to grow as an artist.

Our Form 6 Students have been working extremely hard behind the scenes, not only in their academics but also in their extracurricular activities and in their future. They have shown a great amount of dedication and have been working hard to better themselves, their school and their country. We continue to look upon them with pride.

Another one of our Form 6 students, Zion Vallenilla, has been busy with various academic activities. He has been participating in the Youth Parliament. On the 24th of September 2024, he received the privilege of reading various biographies at the President's House. Congratulations to Zion, we hope you keep striving for even greater things.

TRACK AND FIELD

Lower 6 student Joshua Perry represented Trinidad and Tobago at the World Athletics Championships in August, competing in the Under 20 category for track and field. His dedication and talent shone on the international stage, making our school proud. We can't wait to see what he accomplishes next!

We're excited to highlight Da Shaun Lezama, a talented Form 5 student who recently qualified for the Track and Field 400m and 4x400m relays at the Carifta Games. He had the ultimate honor of representing Trinidad and Tobago in Grenada this past March. His dedication and hard work have truly paid off, and we look forward to seeing his continued success in the sport!
