Government Scholarship Requirements
Subject Groupings as stipulated by the Ministry of Education
The Ministry advises to choose any two (2) from each group and one (1) other

Technology	Science	Modern Studies	Business	Language	Math	Env. Studies
G.M.E.D.	Physics	Geography	M.O.B.	Literature	Pure Math	Geography
Computer	Chemistry	History	Economics	Spanish	App. Math	Env. Studies
	Biology	Literature	Accounting	French		Chem or Bio
	Pure Math	Art	Computer			
	Computer	Economics				

Students **MUST do at least three subjects**. You must select your 3 subjects from the combinations below, selecting only one (1) subject from a combination.

COMBINATION A	COMBINATION B	COMBINATION C	COMBINATION D
Management of Business	Physics	Chemistry	Sociology
Pure Mathematics	Accounting	Applied Mathematics	Biology
	Entrepreneurship		

All students must also take Communications in Lower Six & Caribbean Studies in Upper Six.

The following are the regulations stipulated by the Ministry of Education for Form 6 admission:

- 1. Students must be under the age of nineteen (19) years on the 31st December 2023 and must not have had more than six (6) years of secondary education.
- 2. Students must have obtained a minimum of five (5) CSEC subjects including English Language attaining Grades I, II or III.
- 3. A minimum of a Grade II must be attained in at least 2 of the 3 CAPE subjects being applied for.

Students are advised that admission into Lower 6 is not automatic. Students will be interviewed and once they qualify, further discussions will be held with Administration and Teachers about the candidate’s: -

- Ability and Potential
- Conduct, Deportment and Discipline
- Punctuality and Regularity
- Contribution to school life etc.

Please list your three (3) subjects of choice and two (2) additional subjects of choice along with your grades and the name of the last CSEC teacher for each CSEC subject you list below.
